Correction: An ultrasonographic evaluation of skin thickness in breast cancer patients after postmastectomy radiation therapy

Sharon Wong^{1,2}, Amarjit Kaur², Michael Back³, Khai Mun Lee⁴, Shaun Baggarley⁴, Jiade Jay Lu^{1,4*}

Correction

Following publication of our article [1], we noticed that the skin thickness measurement units stated in the manuscript were incorrect. The correct units of measurement is centimeters (cm) and not millimeters (mm) as indicated in the article. This, however, does not change the statistical findings.
